About the Department: The department of Education and Community Service was started as a translation department in Oct. 7,1965. The purpose was to translate the classical books of education in Punjabi. The Department translated 12 standard books mostly by foreign authors.

In 1970 it was converted in to a full fledged teaching department and two year M.A. Education Course in Education department was initiated. In the year 1975, the M. Phil course was started which continued upto 1992 and has been restarted from the session 2008-09. During the span of 57 years the department was able to produce standard books in Punjabi language for all papers and courses of the B.A. three year degree course, B.Ed., M.Ed., M.A. (Education) and M.Phil. (Education).

The department has the privilege of organizing an international conference, seminars, orientation courses, summer institutes and work shops. The department made a laudable contribution at the time of the International Book Year. International Women Year and on the line of International Literacy Day. It has also brought a book containing abstracts of researches done in the department.

Till now, 126 M.Lit/M.Phil and 153 Ph.D. thesis have been guided in the department. One year M. Ed. Course has also been started in the Department from the session 2005-06, it is of two year duration since 2015-16.

The mediascape is changing at an unimaginably colossal speed with opportunities for the skilled and thinking students waiting in the wings. Hindi Cinema continues to edge out Hollywood in production volume by more than three times, with Punjabi Cinema now creating ripples among the regional Cinema category. TV channels, on the other hand, are mushrooming incessantly without waiting for the apposite weather. The students and their parents now wouldn't like to wait for three years to complete their graduation after their plus-2 exams and then find themselves at crossroads with fingers crossed but would rather look for better option to go in for highly-productive professional degrees, potent of generating easy/lucrative jobs.

Considering all this, Punjabi University took the 'exclusive initiative' by evolving a Centre for Advanced Media Studies (CAMS) in 2009 to start new kinds of technical, professional, advanced and specialized courses to befittingly train the students for a surfeit of jobs awaiting them in the glamorous worlds of Television and Cinema in the year 2009.

Not feeling contented and complacent with all this, the Centre is now launching a new professional and specialized course of **MBA in Media Studies & Entertainment** from the forthcoming session to fill the gap between filmmaking and its much more important and competitive cousin, that is, fine-tuning themselves to selling and marketing the final product for accruing maximum turnovers.

With the objective of not letting any corner and quarter of the business and profession of TV & Filmmaking unexplored, CAMS is also starting three **short-term evening courses in Still Photography and Videography; Video Editing and Compositing; and Acting and Direction of 3-month, 6-month, 6-months and one-year duration** for the award of **Certificate, Diploma and Advanced Diploma credentials with flexible & multiple exits**. These courses, inter alia, are meant for the working media professionals and those who cannot afford to attend the main stream regular courses.

CAMS, along with University's Educational Multimedia Research Centre (EMRC), with whose association all the courses will be run, is arguably the most well-equipped media institute in the northern India. The infrastructure and facilities include:

- Fully equipped state-of-the art TV and Film studios with multi-camera set up, Latest TV/Film compatible and all-digital workflow cameras, Dolly facilitated tripods
- Highly sophisticated Film Preview Room
- Non-linear editing suite with Final Cut Pro, Audio mixers, Hi-Tech Production Control Room, Teleprompter
- Apple iMac and Mac Pro equipped Multimedia and Graphic Labs
- Chroma-facilitated Complete Indoor & Outdoor lighting equipment
- Cordless Voice Transmitters and microphones
- High-Resolution 16-Channel SD/HD Multi-viewer System
- E-content development and DTH developing Hardware and Software
- XDCAM Camcorder and recorder
- Well-stacked Books and AV Library

CAMS is all set to enter into tie-ups with the most prestigious and premier institutes, including FTII, Pune, AAFT, NOIDA, Canada-Headquartered, Commonwealth Educational Media Centre for Asia (CEMCE), Department of Law, Ministry of Justice, Govt. of India for EMRC's DTH Channel, and the Time TV, even as it is functioning as a Media Centre for the CEC-UGC-MHRD working in coordination with EMRC, Punjabi University, Patiala. The University's SMS and USAM, on the other hand, have their collaboration with many reputed universities and professional organisations in India and abroad for the students' internship purposes.

Majority of our students are working with production houses in Mumbai and elsewhere in different capacities. Opening itself to the vagaries of evolving New Media World Order, CAMS is becoming more and more a happening place, especially for those who feel captivated by the Media game, that all it is about!

3.4 DEPARTMENT OF LIBRARY AND INFORMATION SCIENCE

FACULTY

Professors

1. Jagtar Singh, Ph.D.
2. Trishanjit Kaur, Ph.D.
3. Harinder Pal Singh Kalra, Ph.D.
